## KZN/GAUTENG Easter Festival – 2016

The annual Gauteng/KZN Sports festival involves girls and boys hockey, netball and rugby.

The 2016 Easter Festival was held once again at Hillcrest High School in KwaZulu Natal during the April school holidays. The bad weather did not deter the Hyde Park High School teams from enjoying themselves.

Our netball squad played very well with some good results and great sportsmanship. They played against Carter High School, Port Natal High School and Hillcrest High School. Their Monday games were called off due to bad weather.

The Boys and Girls Hockey teams had mixed results winning a few games and coming close in a few. They played with a lot of heart and showed true sportsmanship. The girls played against Hillcrest High School, Carter High School and Port Natal. The boys played twice against Hillcrest High School drawing the first and losing the second game. They also played two games against Carter High School winning the first game and drawing the second, they then played Port Natal and lost. The experience was great for the new players and they enjoyed applying their technical hockey skills.

The rugby team had a very successful 2016 tour. On the opening day Hyde Park played against Carter High School, Hyde Park won the match 15 – 0. On the Monday, in cold and wet conditions the boys played a Hillcrest High School invitational team and ground out a fantastic 8-5 victory.

Congratulations to all the players who went on this tour.
