Dear Parents

Welcome back to the 3<sup>rd</sup> term of 2019 which brings with it the realisation of the year passing by and all that still needs to be achieved.

#### Extra-curricular Activities

The athletics season has begun and our soccer players are already in training.

#### Admissions for 2020

The online Gauteng Department of Education process for placement of new learners in 2020 is closing on 22 July 2019.

#### Change in Cycle test days– Term 3

##### Important notice to all parents and pupils

Parents are reminded that there are cycle exams this term. The cycle timetable has been issued and it is important to note that the days for cycles will now be on Monday and Thursday, with the exception of the first week’s cycle exams on Monday on Friday. **Please familiarise yourself with your child’s exam schedule.**

In the event that your child is absent from school for a cycle test, a doctor’s certificate is required which needs to be handed in to your child’s Grade Head on the day of his/her return, before the first period starts. Be aware that your child may still not be able to write the exam, since it may be compromised. **In addition, it is mandatory that a phone call to the office is made on the day that your child is absent.** Ideally, we would ask that your child comes in to write the test even though they may not be well, and that you provide a letter for him/her to leave immediately thereafter. Bell times on Monday and Thurs will be cycle test times and 14H20 closing.

**NOTE: On Fridays during the cycle test program dates, school will end at 14h00.**

#### Matric Prelims

Prelims are from the 19<sup>th</sup> August to 6<sup>th</sup> September. We trust that our Matric pupils have been applying themselves and are well prepared for these important assessments. The end of the year is in sight and we encourage all our Matrics to stay focussed and motivated through this final stretch of 2019.

#### Dress and Hair Regulation

We ask all parents to encourage their children to wear the Hyde Park High **winter uniform** with pride and follow the correct uniform code. We also remind parents and pupils that the school blazer and tie are mandatory.

Yours in Education  
M. Vogiatzis  
Headmaster

## FROM THE SPORTS DESK

After an extremely busy second term, all our sportsmen and women needed the holiday to re-energize.

### ATHLETICS

The school athletics team training has begun and we wish our athletes strength and speed at their forthcoming events. Several athletics meetings will be held here at Hyde Park High School – come and support your friends and school and cheer them on.

### EXTRA-MURALS FOR TERM 3

Boys and Girls soccer takes place this term as well as chess, debating and athletics. We encourage all our pupils to be active and participate in the various extra-murals Hyde Park High has each term. Please ensure that your child has the approved sporting clothing items.

## TOP 10s END OF TERM 2

Congratulations to the top academics for the second term. We are extremely proud of your achievements and encourage you to continue to strive for excellence. Your consistent preparation for your cycle exams and end of term examinations has set you apart from your peers.

## VOTE FOR HYDE PARK HIGH!

**Best of Joburg Voting opens from 28 July to 8 August 2019**

**Why you should vote?**

Hyde Park High was voted the Best Government High School in the Caxton Readers' Choice 2016 Awards and we encourage all our parents and pupils to vote for us again. This prestigious award is highly sought after as recognition of excellence.

- Hyde Park High is the only Government school to offer the IEB Matric, the same examination as the top independent schools write!
- We continue to improve the school facilities with our classrooms recently having interactive smart-board upgrades.
- We are excited with the progress of the multi-purpose sports centre being close to completion, which will set our school apart from our peers.
- Show your pride by VOTING!

### How to vote? – parents, friends AND pupils

- Go on line from the 28<sup>th</sup> July to 8<sup>th</sup> August [WWW.BESTOFJOBURG.CO.ZA](http://WWW.BESTOFJOBURG.CO.ZA)

There are some incredible prizes up for grabs too – win big just by voting!

### AND ....OR

- Complete a ballot paper and hand it in at school. These will be distributed once voting opens on the 28<sup>th</sup> July and must be returned by 8<sup>th</sup> August.

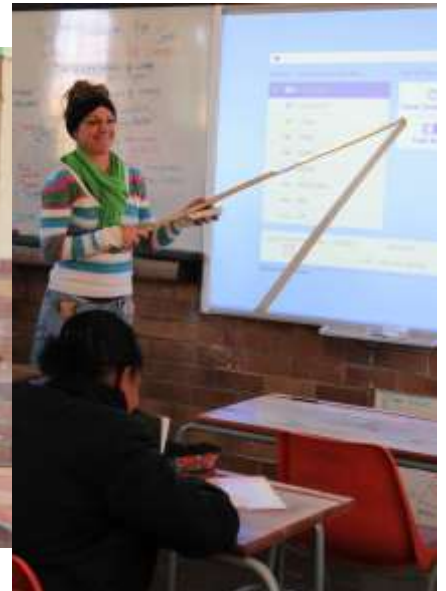

## **Multi-purpose sports centre construction update**

Look at the progress of the new multi-sports centre! The changerooms are now complete and the next stage to be completed is the netting and astro surface which needs to be fitted.

## **Out with the old white boards and in with the new smart boards!**

The July holidays were a hive of activity at school with smart-boards being installed in our classrooms. This was a massive project and has been made possible by a very generous donation made by one of our past pupils. This technology will enable our teachers to have interactive lessons, accessing the internet and they will even be able to link up to other schools and have a live interactive lesson exchange.

**Above: The Geography class... before and after**

### **I.T. Class power supply**

Our I.T. class now has a power back up facility so that any examinations for this subject will no longer be compromised. This has been of particular concern for our matric pupils when they wrote their final examination. In the past they had to go to a partner school that had this facility in order to ensure that there was no power interruption, as is required by the IEB.

### **The School Choir**

The school choir has entered into an inter-schools Eisteddfod and we are excited to be part of this cultural event for the first time in many years. With this newly re-formed cultural activity we have purchased a Clavinova (digital piano) to accompany them and we look forward to hearing many wonderful recitals from the choir in the future.

## Grade 10 Study Skills workshop

ABOVE:

Our Grade 10 learners had a presentation by **Clever Cheetah** giving them study skill tips and speed reading skills. A course will be run here at Hyde Park High for those interested Grade 10s. All bookings and payments will need to be made directly to Paul Tosio of Clever Cheetah. Dates to be confirmed.

ABOVE:

Max Bank, a Rotary exchange student from Germany has joined us for a month. We welcome him and trust he will be enriched by his short stay at Hyde Park.

### **ADVERTISEMENTS**
