

IMPORTANT DATES TO REMEMBER

- 4 Nov - Exams start
- 14 November – Final assembly after exam from 12h00 – 13h00
It is compulsory for all pupils to attend this assembly
- 4 December - Report hand out 08h00 – 09h30

Dear Parents

The exams are now under way and the excitement of the end of the year is fast approaching. We urge you to be safe during these forthcoming holidays - relax and come back refreshed for all that 2020 holds for you and your family.

URGENT: Financial Matters

We have reached the end of the financial collections as at the end of October 2019. All parents who are still in arrears and who may have missed an instalment during the course of the year are kindly requested to bring their account up to date immediately. **We can not continue to run our school and pay our educators without your committed, regular payments.**

Fees for 2020

Parents are encouraged to take advantage of the early settlement discounts offered. The fee structure for 2020 is as per the outcome of the Governing Body Meeting on 30 October 2019. Your positive action in being a pro-active fee-paying parent makes all the difference to the school and we highly value your action in this regard. Also note that in addition to school fees a development fee of R850 per pupil will be due as agreed at the AGM. Parents are to refer to the 2020 fee structure and financial contract which has been issued together with this newsletter.

Text Books for 2020

The text book lists for the 2020 academic year have been finalised and handed out. Please ensure that your child has shown this to you and that all the necessary text books for the forthcoming year are purchased. Parents can purchase text books from Ferndale Textbook Exchange who supply **new and used books**. They also provide a service where you can sell your old text books. Ferndale Textbook Exchange 011 781 3397 – Cnr Main and Oxford Road, Ferndale. Alternatively go to Bookbound, opposite Randburg Hoër Skool, Malibongwe Street, Fonteinbleau OR their Bramley branch on Corlett Drive.

RESOURCE FEES : Please ensure that in addition to your text book purchase you pay for your child's resource fee at the admin office early next year, or before (this is the amount where there is no text book for a subject and is indicated by an asterisk on the book list – as payment for copied notes, manuals etc which they receive throughout the year). The issued receipt for resource payment must be stuck into your child's official school diary.

Yours in education
Mr M Vogiatzis
Headmaster

Grey Ties 2019-2020 announced!

Congratulations to our newly elected grey tie leaders. We wish you well in this new leadership role and encourage you to continue to stand tall and spread the values and all that Hyde Park High School stands for.

ACADEMIC COLOURS – Grade 12

Hearty congratulations to Jamie Butow on receiving his full Academic colours as well as Lebogang Letwaba and Sibusisiwe Mkhize for being awarded their half Academic colours. Their consistent academic performance throughout the year has set them apart from their peers and we wish them every success as they write their matric finals.

Some proud end 3rd Term colour recipients

Below left: Lebogang Letwaba can hold her own when it comes to Public Speaking and received her Full Colours for this extra-mural.

Above right: (left to right) Half Colour recipients for Catering, Kausar Eltagwagny and Lehlohonolo Ramogale. Catering is one of the most important behind the scenes extra-murals, providing refreshments to our sports men and women and team management. Lehlohonolo Ramogale also received Full Colours for Athletics!

Above: (left to right) Chess Full Colour recipients Robert Dalais and Boikie Ledwaba, and Mawete Luwawu (extreme right) who received his Chess Half Colours at the final 3rd term assembly.

Hyde Park High pupils join hands in solidarity, opposing violence and abuse against women and children.

The month of September was a worldwide campaign to oppose violence against women and children. The aim was to raise awareness of the negative impact that violence and abuse have on women and children and to rid society of this abuse permanently.

The pupils of HPHS were invited to come to school wearing black to symbolise standing together for this worthy cause.

Chants of "Enough is enough!" echoed through the school passages. The message that our women and children's rights should be respected and valued was enthusiastically spread by the pupils throughout the school community.

ALUMNI!!! Some of the class of '69 visited us for a tour down memory lane on 4th October 2019, followed by a gala event on Saturday 5th October where many more alumni from matric 1969 got together to celebrate their 50th year reunion.

Above is the matric group of 1969 outside the new multi-purpose sports centre.

Remember, you can change your future, but it is important to ensure that you make the most of your school years in order to be able to say that you are proud to have been a pupil at Hyde Park High School in years to come.

50 YEARS ON?

Hard to even imagine!

Hyde Park High School, a great place to grow up!

The matric art exhibition displayed some outstanding works which were examined by the external IEB examiner on 16 and 17 October 2019 and were highly commended. Alex Milne's art was singled out as being of an exceptional standard and we hope to see his creativity reach new heights in the future.

Below: Art by Casey Pasztor

Below: One of Lebo Letwaba's photographic series

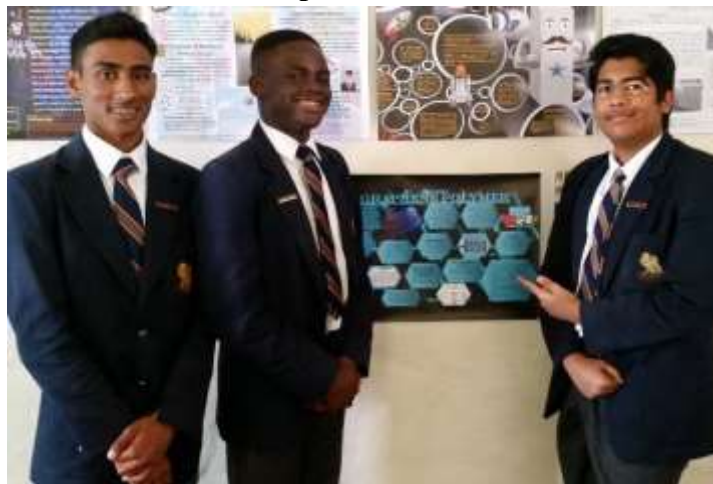

Below: Alexander Milne's mixed media artwork which was highly commended

Double Science award winners make Hyde Park High proud!

Below: Zaiden Shaik, Brice Ague and Rivaan Ramdass pointing out their winning assignment for "Good Scientific Comprehension"

Above: Jade Jardine and Dieter Hartig proudly standing at their poster displayed at the recent awards ceremony held at Wits University on 17 October 2019.

Hyde Park High School entered two Grade 10 teams into the Material Science Poster competition hosted by the Centre Of Excellence in Strong Materials at Wits University. The team comprising Zaiden Shaik, Brice Ague and Rivaan Ramdass won an award for "Good Scientific Comprehension". Dieter Hartig and Jade Jardine won an award for "Presenting New and Exciting Materials". Their contribution to the competition was of the highest standard and was acknowledged by the event organisers as meeting all their criteria.

Our school's Head of Science Mrs P. Raubenheimer said "It is exciting to see our pupils inspired by Science and the possibilities of expanding their knowledge in this fascinating field". It was enlightening to have feedback from Dieter Hartig and Brice Ague expressing how much they had learnt and that as a result of this experience they considered this a promising future career path.
