Dear Parent/Guardian

ACADEMIC INTERVENTION PROGRAMME

Due to our continuous endeavour to provide the best opportunities to our learners, there will be an academic intervention programme for all learners next week. See attached schedule for specific dates and times.

The format of the programme will be as follows:

- The educator will not cover specific topics as this is not an extra lesson but would be in the format of a clinic. The educator will be available to assist each learner with the problems he/she struggles with individually.
- There will be three 20-min slots for each learner to see more educators on one day. The following will apply to each subject unless where different time slots are indicated on the Timetable:
 - o 14h25-14h45
 - o 14h50-15h10
 - o 15h15- 15h35
- Due to Covid-19 regulations, we cannot cater for everyone needs. Therefore, availability might be limited and will be on a first-come-first-serve basis.
- Should learners need more time in a specific subject, they may stay for an additional time slot if there is space in the class.

Learners will not be allowed to roam the school property. They must either be in class or go home. Please make appropriate transport arrangements.

Kind regards

Mrs E Ailing
 Deputy Principal
 Head of Academic and Discipline
