- All parents are requested **to complete a reply slip and the indemnity form** for all learners representing the school in relevant codes of sport.
- **NO** learner will be allowed to board any mode of transport without an indemnity form.

DISCIPLINE

- We are experiencing a grave challenge with regards to late-coming, especially learners that travel with private transport. An earnest appeal is made to parents/guardians to ensure that learners are at school by 7h30.
- The SGB has been very vigilant in ensuring that serious misconduct is treated with the gravity that it deserves. Parents and learners are urged to read the contents of the school code of conduct in the diary.
- **We are experiencing a challenge with learners who remain in the Loop Road until the late parts of the evening. With the onset of Winter, learners are in the dark by themselves until the evening. PLEASE ensure that learners are fetched promptly after school.**

GENERAL:

- An earnest appeal is made to all parents/guardians to donate all old school uniforms and sports kits.
- Our Nearly New shop is open from 7h30 to 15h00. We have stock of winter jerseys and blazers.
- **PLEASE do not send learners to school if they are sick.**

Thank you for your continued support in ensuring the delivery of quality education at our school.

Yours in Education

.....
M. Kallie (Principal)
