Dear Parent/Guardian

UPDATE ON THE EFFECT OF COVID-19

I trust you and your family are well and healthy.

With the third wave of Covid-19 taking enormous momentum, I would like to report how this is affecting our school community. As of today, our statistics are as follow:

Number of staff members who tested positive:	7
Staff members in quarantine due to being contacts:	2
Youth employed members in quarantine due to being contacts:	2
Number of learners who tested positive:	6
Learners in quarantine	37

If we look at this holistically, we are doing well compared to many other schools. However, we must not become complacent. Discuss the situation with your child and reiterate the importance of adhering to social distancing regulations and wearing a mask correctly. We can only be safe if we all work together.

If you or a family member is unwell or show one or more Covid-19 symptoms, please consult your medical practitioner immediately. If the symptoms persist, please visit one of the following free testing stations and report all positive cases to the school immediately:

- Sandown Clinic
- Wendywood Clinic
- Petervale Clinic
- Alexandra Clinic
- East Bank Clinic

We are currently in the process of deep-cleaning the school in our effort to keep the school community safe and will continue to do so.

I thank you in advance for your co-operation.

Kind regards

Mrs E Aling
Deputy Principal
