

Unleash your potential

Art and Craft Club 2021

Interested in mastering or enhancing your artistic and creative talents?

This club is designed for those wanting to acquire two and three dimensional art and craft skills.

These skills are fun for a hobby but could help towards future entrepreneurial endeavours.

The projects are geared towards students creating items for themselves and/or to donate to charity.

This club is designed to provide participants with the basic techniques to create artworks, and/or crafted items.

Place: Room 21 (Art classroom).

Days and Times: Participants will attend classes one or two afternoons a week, a choice of either
Wednesday/Thursday/Friday Afternoon 2:40-4pm

Participants will choose **one** of three projects on offer per term.

Participants will need to be aware that they will have to fund the resources for their personal projects

Skills offered:

Art Skills:

Drawing, painting, etching, carving techniques, sculpture (modelling)

Craft Skills:

Crochet, Knitting, Embroidery, Pottery
