Dear Parent/Guardian

RE: SUSPENSION OF LESSONS

We were informed today that a member of our school community tested positive for COVID-19 and is in self-isolation at present. Due to confidentiality, the identity of the person will not be made public.

We have consulted the Department of Health and Gauteng Department of Education regarding this matter.

Due to our strict protocols, the effect of the above is minimal, and action was taken immediately. We have been advised by the GDE to suspend lessons from **Wednesday, 30 September 2020 until further notice**. We are awaiting deep cleaning and decontamination of the affected areas. All possible contacts have been notified. If you were not contacted, then you were not in contact with the person.

Kindly Note: We will resume with Day 3 (30 September 2020) of the summative assessment programme on our return (Grade 10 and 11 scheduled tests). The programme will then continue as per the timetable.

We will keep you updated. Thank you for your support in the above matter. Please ensure that learners utilise this time to study.

Yours in education

Ms M Kallie - Principal
